CLAIM YOUR STAGE!

Be a Brilliant Communicator!

For Singers and Speakers who want to feel comfortable in front of any audience.

- Are you ready to take your communication skills to the next level?
- Would you like to claim your stage with dynamic confidence, being fully in control of your presentation, every time you are called on to speak or sing?
- Beth Lawrence is a master in presentation skills, and with her step by step process, you'll be amazed at what you can do with the confidence and knowledge you'll learn in this workshop. Claim your stage as a brilliant communicator, any time, any place!

Who Should Attend?

Singers, Speakers, Teachers, Managers, Trainers, Salespeople, Ministers; individuals who must guide others within an organization

What will they learn?

- **Relaxation & Preparation** – manage performance anxiety, release tension in body and voice
- **Vocal dynamics** – proper use of voice, voice placement, breathing, healthy vocal power
- **Presentation** – moving and standing with confidence; using hands and body naturally; connecting with an audience; generating internal energy (the 'IT' factor)

"Beth has contributed the most constructive advice regarding the key to becoming an effective communicator, its more than just standing up in front of a crowd, its about reaching them" - Linda Haddad
