Spotlight

Timpanogos Valley Theatre

TVT was formed by four women (and supported by a few good men) in 2004, who wanted to bring theater opportunities to the Heber Valley. They envisioned families working together to create a strong community network.

Its specific mission is to provide a forum and a venue for the people of Wasatch County to study, compose, play write, train, rehearse, direct and perform theatrical arts. The company's emphasis is on family theatre. Family members are encouraged to produce, perform and provide logistical and tactical support.

Something unique to TVT is their amazing ability to take recycled or thrift store items and turning them into amazing props and set pieces!

Thanks to their many volunteers, their Children's Program is growing & thriving. You can catch Finding Nemo & the SpongeBob Musical this summer. Find out more about TVT & all they offer below:
