Stomp It Out Dance Studio

Stomp It Out Dance Studio teaches classes in Clogging, Ballet, Hip Hop & Jazz to dancers ages 2-adult. McKenna Flores, a native of Heber City, started Stomp It Out to create a dance space that helped students develop confidence on the inside that reflected on the outside. At the end of each class they say affirmations. "I am brave, I am kind, I am strong, I can do hard things, my body is amazing, I can do anything I set my mind to, I am awesome, I am a Stomp it Out Dancer."

SIO has completed 7 Summer Clogging Tours and have taken hundreds of people on these different trips around the country. McKenna is a 4 time Director of the Year in the America On Stage Competition Circuit. What a fun program!
