Spotlight

Midway Art Association

Midway Art Association was started 20 years ago by a group of talented local residents in order to provide a place artists and those interested in the art community to come together, to learn from other artists, and to engage in opportunities to promote the arts in Heber Valley. We are an all volunteer, non-profit organization governed by a 9-member board. In 2019, we opened the MAA Gallery at Midway Town Hall as a place for any of our member artists to showcase their work on a rotating basis by exhibiting work of their choice through this gallery experience.

MAA hosts monthly meetings where a guest artist provides a learning opportunity through a demonstration of painting techniques. These meetings are open to the general public and are free for anyone to attend. We also bring the art community together every year in June at Wasatch Plein Air Paradise, Utah's largest plein air (outdoor) painting competition and exhibition. This competition is open to artists of all skill levels, from beginners to skilled professionals, competing together in a variety of events for awards and prizes.

It takes a community to foster a group like MAA, and we are grateful to the City of Midway and Wasatch County for the support provided over many years.
