Spotlight

Inspiration Haven Art Studio

Inspiration Haven Art Studio offers kids' art classes, paint nights, corporate events, birthday parties, private paint parties, and more! Their art studio is located on Heber Main Street inside the Heber Bank Building.

Their owner, AmberLee, has always loved art. She taught some kids art classes from her house several years back & then taught elementary school for 7 years. Her love for teaching inspired her to open a space where she could teach not only kids, but also adults & be able to offer paint nights & such.

Inspiration Haven loves helping families and friends relax and enjoy a night out, meet new people, or come for your child's birthday party. You do not need any experience to come to a paint night. At their birthday parties, kids get to paint their own masterpieces to take home!

AmberLee's biggest success to date is being able to share her love of art with people in the community. Many times, they have people who have never picked up a paintbrush come to a paint night thinking they won't be able to paint, but end up surprising themselves & leave with an amazing painting!

New Mural

The Wasatch County Arts Council, in partnership with Smith's Marketplace, a division of the Kroger Company, will commission a professional artist to create an indoor mural for their new Smith's Marketplace store in Heber City.

The artwork will be prominently displayed on a wall inside the entrance of the store as part of the Kroger Company's commitment to involving artists in beautifying new stores in Utah and throughout the nation.

The artwork will be expected to celebrate the spirit of the community and the unique identity of the neighborhood and its surroundings.

Stay tuned for more information on this exciting project.
