

LET OUR ARTS LIFT YOU TO NEW HEIGHTS

## Spotlight

### COMMUNITY ALLIANCE FOR MAIN STREET

The Community Alliance for Main Street (CAMS) is making waves in Heber City by breathing new life into its historic Main Street through vibrant arts initiatives. As a nonprofit dedicated to enhancing the downtown district, CAMS is at the forefront of fostering community unity and supporting local businesses.

Recently, CAMS secured multiple Heber City TAP Tax Grants to fuel Main Street's transformation. One highlight is the summer programming at the freshly unveiled Main Stage in Main Street Park. This initiative promises to enliven the area with music and entertainment, drawing residents and visitors alike to enjoy the heart of the city.

Adding a splash of color to downtown, CAMS has commissioned a breathtaking mural by artist Cheyenne Renee. Set to be installed from May 23–28, this artwork will adorn the building just south of Granny's Drive-In, depicting Mount Timpanogos on a serene early summer evening. As a vibrant tribute to the area's natural beauty, the mural invites everyone to witness its creation while savoring a shake and burger nearby.

The Heber City Main Stage is another exciting CAMS endeavor. Every Monday evening from 6:30–8:00 PM, Main Street Park will host free, family-friendly concerts showcasing the talents of local musicians. With lawn chairs, blankets, and a sense of community spirit, residents are invited to make Monday nights a weekly highlight.

Through these efforts, CAMS not only enhances Main Street's aesthetic appeal but also strengthens community bonds, making Heber City's downtown a lively and welcoming destination for all.
